

Legal Services Board – Decision Notice issued under Part 3 of Schedule 4 to the Legal Services Act 2007

The Council for Licensed Conveyancers (“CLC”) has made an application under the Legal Services Act 2007 (“the Act”) to change its regulatory arrangements to alter the standard of proof required in its disciplinary matters to the civil standard.

The CLC’s application related to initial hearing and appeals for its functions as an Approved Regulator and as a Licensing Authority should the CLC be designated.¹

In this decision notice the Legal Services Board (LSB) approves the changes relating to the CLC’s functions as an Approved Regulator. The LSB cannot approve the changes relating to the CLC’s functions as a licensing authority because these rules will only come into force if the Lord Chancellor designates the CLC.²

Consequently the amendments to the CLC’s Approved Regulator (Disciplinary Procedure) Rules 2011 and the Council for Licensed Conveyancers’ Discipline and Appeals Committee (Procedure) Rules 2011 have been approved by this decision notice. The CLC’s Adjudication Panel (No.2) Rules 2011 and the CLC’s Licensing Authority (Disciplinary Procedure) Rules 2011 are not approved by this decision but will come into force in the event and at the time that the CLC is designated as a licensing authority.

This Notice sets out the basis for the LSB approval and the decision taken, including a brief description of the changes.

Introduction

The LSB is required by Part 3 of Schedule 4 of the Act to review and approve or reject alterations to the regulatory arrangements of the Approved Regulators. The Council for Licensed Conveyancers is an approved regulator.

1. Paragraph 25 of Schedule 4 explains that the LSB must approve a proposed change to the Regulatory Arrangements unless we are “...satisfied that...” the approval would fall within one or more of the criteria specified in sub paragraph 25(3) (and listed in

¹ as a result of the Lord Chancellor responding to the recommendation made by the LSB to him on 12 May 2011 under paragraph 14(2) of Part 1 of Schedule 10 of the Act.

² at which point those rules would be treated as approved by the LSB as part of that designation decision when the Lord Chancellor exercises his authority under Paragraph 16(1) of Part 1 of Schedule 10 of the Act

the footnote below³). If the LSB is not satisfied that one or more of the criteria are met, then it must approve the application in whole, or at least the parts of it that can be approved when only part of the application meets the criteria.

2. As provided for by paragraphs 20(1) and 23(3) of Schedule 4 to the Act, the LSB has made rules about how the application to alter the Regulatory Arrangements must be made including the contents of that application. The rules highlight the applicant's obligations under section 28 of the Act to have regard to the Better Regulation Principles. The rules also require that the applicant provides information about the nature and effect of each proposed change and of appropriate consultation undertaken. Sub paragraph 25(3)(f) requires that each proposed alteration has been made or is likely to be made in accordance with the procedures which apply in relation to making of the alteration. This includes the LSB's rules.
3. The LSB will approve Regulatory Arrangements in so far that they appear to achieve their intended outcome and satisfy the sub paragraph 25(3) criteria. Most notably there must be no adverse impact on the Regulatory Objectives overall and the alterations and the process by which they have been produced must be consistent with Better Regulation Principles.
4. The chronology for handling of this application can be found at the end of this Decision Notice.

Decision

5. The application was a supplementary application for approval for changes to the CLC's regulatory arrangements relating to disciplinary processes which was made in February 2010 and which was part approved on 21 March 2011.
6. The CLC also made an application to the LSB under Schedule 10 of the Act for a recommendation to be designated as a licensing authority. That application was granted and on 12 May 2011 a recommendation was made to the Lord Chancellor that CLC be designated as a licensing authority.
7. In granting that application the Board had to be satisfied that there would be a body with the power to hear and determine appeals which may be made against the decisions of the licensing authority (Schedule 10, 11(2)(b)).

³ The Board may refuse the application only if it is satisfied that—(a) granting the application would be prejudicial to the Regulatory Objectives, (b) granting the application would be contrary to any provision made by or by virtue of the Act or any other enactment or would result in any of the designation requirements ceasing to be satisfied in relation to the approved regulator, (c) granting the application would be contrary to the public interest, (d) the alteration would enable the approved regulator to authorise persons to carry on activities which are reserved legal activities in relation to which it is not a relevant approved regulator, (e) the alteration would enable the approved regulator to license persons under Part 5 to carry on activities which are reserved legal activities in relation to which it is not a licensing authority, or (f) the alteration has been or is likely to be made otherwise than in accordance with the procedures (whether statutory or otherwise) which apply in relation to the making of the alteration.

8. The CLC decided to select the General Regulatory Chamber of the First Tier Tribunal as this appellate body. This will take effect through the Section 80 Order which has now been through Parliamentary debate and the motion was made on 7 July 2011. The General Regulatory Chamber uses the civil standard of proof in its determinations. The CLC was therefore prompted to consider whether it should use the civil standard for all of its initial and appellate disciplinary processes rather than maintain its current arrangements where matters that are disciplinary but which are also capable of criminal prosecution are determined at the criminal standard of proof while all other matters are determined at the civil standard. Having consulted on their proposal the CLC now considers that all initial and appellate disciplinary hearings should be assessed to the civil standard of proof.
9. As a result of this decision, this application is for approval of consequential amendments to the CLC's rules.
10. Having considered the application in the context of the criteria in Schedule 4, 25(3), we are satisfied that we have no grounds for refusing the application and therefore the amendments to the CLC's Approved Regulator (Disciplinary Procedure) Rules 2011 and the Council for Licensed Conveyancers' Discipline and Appeals Committee (Procedure) Rules 2011 are approved. Copies of the rules are attached to this Decision Notice.

Rules not approved at this time

11. The application included the Adjudication Panel Rules (No2) 2011 and the CLC Licensing Authority (Disciplinary Procedure) Rules 2011. These rules will be needed should the CLC be designated as a licensing authority. The Lord Chancellor is considering the recommendation from the LSB that CLC be so designated. If that recommendation is accepted then the regulatory arrangements for the licensing authority (which would include the Adjudication Panel Rules (No 2) 2011 and the CLC Licensing Authority (Disciplinary Procedure) Rules 2011) will be deemed to be approved at that time.

- 17.3 Any qualified or equivocal response by the Respondent must be recorded as a denial of the allegation.

18. Admission of all allegations

- 19.4 If he attends the hearing the Respondent may –

- 19.6 The CLC's Representative may, at the conclusion of the evidence and the Respondent's address to the Adjudicator (if any), address the Adjudicator (but only once, unless the Adjudicator gives leave for a further address).

20. Determination of allegations that have been denied or deemed to have been denied

- 20.1 At the conclusion of the hearing the Adjudicator must determine whether the allegations have been proved to their satisfaction.

- 20.3 If the Adjudicator determines that any allegation has been proved to their satisfaction –
- (a) the Authorised Officer, alternatively the Adjudication Chair, must invite the CLC's Representative to address the Adjudicator and adduce evidence as to the Respondent's previous character and history,

22.2 If a matter is dismissed or is not proven, the Adjudicator may proceed to judgment by making any order directing the payment of costs by the CLC or the complainant, but such judgment must be postponed until after any allegation which remains outstanding has been determined.

23. Procedure where there is more than one Respondent

23.1 A single hearing may be held into allegations against two or more Respondents.

23.2 Subject to rule 23.3 these Rules apply to such a hearing as they do to a hearing involving one Respondent, but with the necessary adaptations and subject to any directions given by the Adjudicator as to the order in which proceedings are to be taken in relation to each of the Respondents.
