Question	1	2	3	Notes
Do you agree that the draft exemptions policy achieves its objectives in that it enables modules from non-qualifying law degrees to be treated in the same way as qualifying law degrees?	Y	Y	Y	Clarify that only non QLDs from England and Wales will be treated in the same way as for QLDs Consider whether the amended exemptions policy also enables exemption from the skills elements (e.g. ethics)

Although only one CILEx member responded directly to the application, CILEx canvassed its members on the content of the consultation and therefore represents the views of the wider membership.
